2009 Girls Fetterman Basketball
Tournament Champions!

Goodbye Chuck Hamilton!
Chuck Hamilton, Executive Director of
The Clark Foundation, is seen
surrounded by Sports Center staff.

Q & A With Newly Appointed Director Dion Wade

Dion Wade officially started his tenure as the 8th Clark Sports Center Director on January 16. Dion brings to our organization a wealth of experience in fitness, recreation, and sports. He attended undergraduate school at Trinity University in San Antonio and received his masters degree in educational leadership from the University of Central Florida at Orlando. Before moving to Cooperstown in 2008, Dion served as Assistant Director of Facilities for the Division of Recreational Sports at the University of Texas at Austin. The next time you're in the Sports Center, be sure to stop by and say hello!

Clark Sports Center Director Dion Wade

What do you think are the strengths of The Clark Sports Center?

People. Many people on the full-time staff have over 20 years of experience and everyone has tremendous creativity and attention to detail. The part-time staff has an enormous amount of respect for their jobs and does whatever is needed to make The Clark Sports Center better. The members are also a great asset to this facility with a wide range of backgrounds and whose phenomenal personalities keep this place thriving.

What areas of the Sports Center are you looking to improve upon?

My goal for The Clark Sports Center is for us to continue to serve the many different areas of the community and find ways to make our programs even better than they already are.

How do you think the Sports Center positively affects the Cooperstown community?

The Clark Sports Center serves as a community builder, fitness facility, after-school activities center, and athletic center; all of which serve to make a happier and healthier community. It serves all ages and many different areas throughout the county so there is something here for everyone to enjoy.

What are your favorite sports?

Basketball and football. I grew up as a huge Chicago Bulls fan, but realized that I was just a Michael Jordan fan soon after he retired. After taking a couple of years to decide on a new team, I have since become a San Antonio Spurs fan and will remain that way for life. I also have to admit that I am an Atlanta Falcons fan even though they have never had back to back winning seasons.

What sports did you play growing up?

I played football and bowled while I was growing up. I started out playing football in 5th grade as an offensive and defensive tackle, but by 8th grade had moved to playing wide receiver and defensive back. I started bowling when I was 8 years old and continued on a league until I was 16. My high score is 236.

What interests do you have outside of the Sports Center (hobbies, interests, etc.)?

I love playing sports, especially basketball, football, bowling, and softball. I am also a big fan of the Nintendo Wii which gives me the chance to be good at sports like tennis and golf. I have a few shows that I like to watch on television as well: 24, Heroes, House, the Office, and 30 Rock to name a few.

Youth Long Distance Swim

In September, eight young swimmers began a long distance swim challenge in the pool. Their goal is to swim the distance of five local lakes—Gilbert Lake (¼ mile), Arnold Lake (½ mile), Goodyear Lake (1¾ miles), Canadarago Lake (5 miles), and Otsego Lake (9 miles). As of February, Isabella Penola and Elizabeth Russo have completed the 16.5 mile swim, and the rest are closing in. Great job swimmers!

Adult Long Distance Swim

42 swimmers started the 100 mile journey along the coast of France back in September. Janet Ratliff and Todd Mayton have completed the journey and several more are close to their destination, Monaco. Participants earn casino chips for each mile completed! At the end of the journey, there will be a Monaco style casino float night. Swimmers have until April 30 to complete the trek.
