The Clark Foundation’s Odyssey Scholarship is a once in a life time opportunity. If accepted, Odyssey can make lasting positive changes to the way you conduct your life if. Applicants must be in 8<sup>th</sup> grade and be enrolled at one of our scholarship schools. Students who apply need only be energetic, committed, and enthusiastic to the challenges offered by Odyssey. To benefit from this experience, students must be willing to risk 11 days of summer to learn more about themselves, their adventure companions, and the natural environment the surrounds us all. Grades earned in school are NOT a deciding factor in awarding scholarships. Character and adventurous spirit are all that is needed to change your life.

There are many people who can answer your questions about Odyssey: seek out those who went on a course in the past, talk to your school coordinator, call us at Clark Sports Center (607) 547-2800 extension 124, or email me at [WeinertW@clarksportscenter.com](mailto:WeinertW@clarksportscenter.com)

Your parent/guardian **must** sign the bottom of your application (space provided) which signifies they have read the attached parent letter and understand that you are applying for this scholarship. We will not consider your application without it!

From the questions listed on the next page, please respond to **four**. These are challenging questions–there are no easy answers, and there is no single right answer. Our best advice is to provide thoughtful, thorough and creative responses: answers that will give us a clear picture of **who** you are. It is the quality of your ideas and the depth of your commitment that is most important!

**Letter to Parent/Guardian**

Dear Parent/Guardian,

Your son or daughter has elected to apply for a scholarship to participate in The Clark Sports Center Odyssey Scholarship Program for eighth grade students. If accepted, your student is making a commitment to fulfill the responsibilities inherent in receiving this scholarship.

These responsibilities include: Attendance to any informational sessions provided, attendance in an Odyssey alumni community service day project, timely drop off/ pick up from the Clark Sports Center, compliance with instructor team and the group in whole, willingness to tackle adversity, and practicing proper expedition behavior. (Which includes, but is not limited to, practicing Leave No Trace ethics)

If these responsibilities cannot be met, students are discouraged from applying, as there are limited positions available.

We are asking parents of interested students to be involved in the application process by talking with your son or daughter about Odyssey and supporting their commitment to undertake this wonderful opportunity provided by Clark Sports Center. **Please sign the front of their application (space provided) signifying you are aware of their intentions.**
