Zumba (Limit 16) • Zumba combines high energy and motivating music with unique moves and combinations that allow the participant to dance away their worries. It is based on the principle that a workout should be a "fun & easy to do." Zumba is a "feel-happy" workout that is great for both the body & mind.

STUDIO 2

YOGA

Ashtanga Yoga (Limit 20) • Athletic and meditative flow class based on the Ashtanga Primary Series taught by Sri K. Pattabhi Jois. Beginning with sun salutations, the class moves on to standing postures, sitting postures, supine postures and inversions. The class will allow students already familiar with Yoga Foundations or Yoga Flow to deepen their understanding and experience of various asanas (postures).

Flexibility Flow (Limit 20) • A total body yoga flow class designed to work on improving flexibility. A great compliment to your other cardiovascular and strength workouts.

Foundations to Flow (Limit 20) • A slow to moderate paced class designed to enhance a more mindful movement of the spine. This class focuses on proper alignment and marrying breath with movement. Learn to flow more fluidly through your poses or asanas, by learning about and exploring key foundational poses from which all others are built. This class feels very meditative, leaving you feeling refreshed and renewed. Both beginners and those with an established practice can benefit from this class.

Gentle Yoga (Limit 20) • While uniting body, breath, and mind, this gentle yoga practice is for those who wish to strengthen their bodies, calm their minds, and find relaxation through breath work and yoga postures, both active & restorative. This is the perfect class to begin your yoga practice. Various props will be used.

Mindful Flow (Limit 20) • This class is for yogis, who after many months of little practice, wish to begin their practice again. Both standing and seated flows will be led with emphasis on mindfulness so that each student is able to create their personal balance of effort and ease. This feel good, no stress class ends in relaxation, so everyone leaves feeling rejuvenated and peaceful.

Sunrise Yoga Flow (Limit 20) • Tap into the clean and cheerful qualities of an early morning practice and align with your best day! Long known by Yoga practitioners as the most healing time of the day to practice, the pranic energy, or vital life energy, is at its peak during the pre-dawn hour. This class begins with stabilizing breath work and warming Sun Salutations followed by core-strengthening and balancing postures and finishes with deep relaxation. Leave class refreshed and ready for a beautiful day!

Vinyasa Flow Yoga (Limit 20) • The word "vinyasa" can be translated as "arranging something in a special way." In this vinyasa yoga class, movement is coordinated with breath, flowing from one pose to the next. The result is a moving meditation, resulting in greater flexibility, strength and mindfulness. This class is for students with prior yoga experience.

Vin Yin (Limit 20) • A blend of yin and yang modalities, this class cultivates a sense of balance between warming, active energy and cooling restorative energy. In the first half of class, the body is enlivened as muscles are warmed and heart rate increases through a moderate paced Vinyasa flow. In the second half of class, connective tissues and joints are deeply released using classic Yin postures while poses are held longer with an emphasis on a steady breath.

Yin Yoga (Limit 20) • Yin Yoga is the practice of quiet receptivity. This slower and meditative style of Yoga involves holding poses for longer periods of time and deep breathing. Through the application of moderate stretches to connective tissues including fascia, ligaments and tendons; students improve circulation to the joints and overall flexibility.

Yoga Flow (Limit 20) • This class seamlessly blends the methodologies of Kripalu Yoga and YogaFit, providing you with a safe and enjoyable way to explore your yoga journey. Students will gain strength, focus, flexibility and find stress relief. This class is designed for students with previous yoga experience.
