

We are pleased to announce that The Clark Sports Center will be open to all ages beginning Monday, November 29th! We are excited to bring children 11 years and younger back to the facility, and have them join the 12-and-over youth, and the adults.

In order to keep everyone as safe as possible, all current Covid regulations will remain in place:

- Wearing masks at all times
- Physical distancing
- Hand washing.

As it has been since August of last year, Sports Center staff will continually sanitize and clean the facility and equipment. While not required, getting vaccinated against Covid-19 is strongly recommended for everyone – especially the children.

Afterschool programming will begin on the 29th, and youth will have the opportunity to participate in swimming, bowling, gym floor activities, racquet sports, game room and adventure activities.

Programs will begin at 3:00pm on school days and children must be picked up by 6:00pm. A new pickup procedure will be in place this year. Parents please park in the driveway on the Susquehanna Ave side of the building, use the front patio door, and go to the gym floor where all children will be grouped starting at 5:00pm.

If you are unsure of your family's (or child's) membership status please contact Kathy Graham, Membership Director, at 547-2800 ext. 115 or email grahamk@clarksportscenter.com.

The staff is truly looking forward to seeing our younger members back at the Sports Center. On behalf of the Clark Sports Center, we wish you and yours a Happy Thanksgiving!

Sincerely,

Val Paige
Director
