Acknowledgement and Assumption of Risks

I hereby affirm that I have received a full description of the facilities and activities available at The Clark Sports Center (the "Center"). I understand the Center maintains facilities for activities such as swimming, diving, waterpolo, water volleyball, basketball, squash, racquetball, bowling, volleyball, badminton, and indoor soccer; that it maintains ropes courses and climbing walls; and that it offer aerobics and other exercise classes. I also understand that through my subscription in the Center, I may be able to participate in additional activities both inside and outside the Center such as cross-country skiing and canoe trips.

I further affirm that I understand that the activities in which I may engage as a Center Subscriber may be physically strenuous and involve the dangers inherent in participation in such activities. In the event that I participate in canoeing, cross-country or other programs offered by the Center in the field, I understand these activities may take place in remote wilderness areas far from shelter and medical facilities, that I may be exposed to rugged physical conditions in all types of weather and that these activities are also attended with inherent dangers.

I hereby personally assume all risks in connection with the activities in which I will participate at or under the sponsorship of the Center and release the Center, The Clark Foundation and the staff, officers, trustees, agents and instructors of both organizations from any and all claims by me, my family, estate, heirs or assigns except to the extent that any such claim arises from an accident or injury caused by or resulting from the negligence or willful misconduct of the Center, The Clark Foundation or the staff, officers, trustees, agents or instructors of the such organizations.

I accept responsibility to verify with my physician that I have no physical or psychological problems that would prohibit my participation in activities at or under the sponsorship of the Center. I agree to comply with the rules and regulations of the Center and with the instructions and directions of the Center staff members during Center activities or courses.

I have fully informed myself of the nature of the risks inherent in the activities in which I will participate at or under the sponsorship of the Center, and I have read the foregoing before signing below.

This form must be signed and dated below by all individuals listed on the subscription application who are 18 years of age and above.
