Connie Herzig Honored With 2008 Fetterman Award

This year's Fetterman Award was presented to Connie Herzig during a formal luncheon at the Otesaga Hotel on Monday, November 3. Over 70 family, friends, and past recipients, gathered in the Fenimore Room to celebrate Connie's achievements and her contributions to the Cooperstown athletic community.

Committee members announced her award nomination at the Elementary school's "Friday Finale." Connie received a roaring applause from the crowd of students and colleagues.

During the award ceremony, Connie displayed her collection of shirts she has collected over the years as Cooperstown Elementary's physical education teacher and girls track and field coach. Many shirts displayed slogans that emphasize her positive teaching philosophies.

Past Fetterman Award winner Don Howard (1999) wrote a touching letter to Connie that was read by Jane Clark during the ceremony. Don highlighted Connie's coaching abilities, her love for teaching, and the examples she sets as a role model to youth she coaches. Connie coached track and field along side Don for 17 years.

Connie also started the Red Hot Ropers program in 1992 (formerly Redskin Ropers), a jump roping program that meets several times a week to keeps kids active during the winter months.

The Clark Sports Center congratulates Connie and her family on her many achievements and thanks her for her dedication to coaching and Cooperstown athletics!

Adult Long Distance Swim

In trying to do our part to provide an enjoyable experience for our lap swimmers, we are once again keeping track of their progress in the pool by mapping out 100 miles along the southern coast of France. In September, 33 swimmers left Rayol-Canadel-Sur-Mer to begin their journey to Monaco. All swimmers will have until April 30 to finish swimming 100 miles of laps in the pool. A casino chip is earned for each mile completed—the more miles, the more chips you earn! At the conclusion, there will be a Monaco style casino float night for all participants to redeem their chips for prizes.

Youth Long Distance Swim

In September, eight young swimmers began a long distance swim challenge in the pool. Their goal is to swim the distance of five local lakes—Gilbert Lake (¼ mile), Arnold Lake (½ mile), Goodyear Lake (1¾ miles), Canadarago Lake (5 miles), and Otsego Lake (9 miles), for a total of 16.5 miles. Youth may sign up for the swim in the pool area.
