The Fitness Game Room is an interactive fitness room, using technology and gameplay to get people moving and active all while having fun! Participants can have fun playing games, but have to MOVE in order to play. It features six pieces of new equipment that use light, sound and technology to keep people moving. Each piece can be used by individuals or groups, allowing family members, friends and gym buddies to compete against each other. The equipment will provide different cognitive and physical benefits, ranging from strength to agility to heart health.

The room and equipment is also programmed for use by Personal Trainers and their clients, groups, as well as other adult fitness programs. Having fun while working out is our goal! We hope you will enjoy the Fitness Game Room as another added benefit of your Clark Sports Center membership.

Fitness Game Room Descriptions

GameChangers: This techno-fitness program time will provide an opportunity for those looking to change their fitness routine. Skills and challenges will provide speed, agility and strength components to your workout, and will also trigger your mental and cognitive abilities through a fun, interactive, gaming environment.

Little GameChangers: This program is geared very similarly to the GameChangers program, but with the intention to offer preschool aged children a time to play with the interactive technology that is age appropriate at their skills and abilities level.

GameChangers Gold: Much like GameChangers program time, this program is designed to provide an opportunity for those in their “golden years” to change up their workout routine to a fun, interactive, gaming environment that will train mental and cognitive abilities, balance and strength to keep an active lifestyle.

After School Youth Play: This time slot, Monday–Friday, 3:00–5:00pm, is geared towards allotting school age children an opportunity to enjoy the interactive gaming environment of the Fitness Game Room. This time slot may vary depending on the school calendar (i.e. school break/vacation, conference and snow days).

Fitness Game Room Party Rentals: The Fitness Game Room is available for your private birthday party or group gathering. Rentals are first come, first serve. Priority will be available for Saturday evenings. You may rent the room for 1 hour for \$50, or for 2 hours for \$75. For more information or to make your reservation, please call Matt Phillips, at (607) 547-2800, ext. 130.

Power to Survive - Bassett Cancer Partnership

Who? A free small group program designed for adults who are facing a cancer diagnosis. Participants must be referred (in writing) by Bassett Healthcare.

Objective? To give adults who are facing cancer the opportunity to start or continue exercising to help give them the power to feel strong both physically and mentally. Help cancer patients in developing their own physical fitness to reduce side effects of treatments, improve energy levels and self-esteem.

What? 8 week program includes use of the facility, group fitness classes, nutrition information and group support meeting with personal trainer. When a person joins the program they initially meet with a person/personal trainer to outline a goal and how to reach that goal. This can initially be done in a group setting and then individually.
