Prime Time (Limit 15) • A mild exercise class for seniors who would like to improve their strength, flexibility and balance while having fun in a relaxed social setting. It is designed to give the participant a variety of exercises while standing, seated and occasional floor work to help maintain and enhance their well being. If you have recently completed a physical therapy program or have experienced medical issues or physical limitations that may impact your ability to safely participate in a group class, please contact Amy Porter, Group Fitness Director prior to class participation.

Sit & Get Fit (Limit 15) • A gentle exercise class geared towards those looking to improve strength, range of motion, coordination, endurance and flexibility primarily from a seated position. Classes will include strength training, chair aerobics, stretching, breathing exercises and fun activities giving us the chance to play! Occasionally, limited optional standing work may be offered. If you have recently completed a physical therapy program or have experienced medical issues or physical limitations that may impact your ability to safely participate in a group class, please contact Amy Porter, Group Fitness Director prior to class participation.

Zumba Dance (Limit 16) • Zumba combines high energy and motivating music with unique moves and combinations that allow the participant to dance away their worries. It is based on the principle that a workout should be a "fun & easy to do." Zumba is a "feel-happy" workout that is great for both the body & mind.

STUDIO 2

Fit for Life (Limit 20) • A moderate, low impact class intended to improve strength, cardiovascular fitness and balance while incorporating play and circuit training. A mat will be used for floor work.

POP Pilates® (Limit 20) • POP Pilates® is Pilates like you've never seen before. It's an incredible fusion of ab-chiseling, total body defining moves choreographed to your favorite Top 40 hits. This mat-based workout for all levels challenges the student to flow from one exercise to the next, developing a rock solid core and lean, strong muscles.

Power 45 (Limit 16) • A full body class using body weight and minimal equipment that focuses on strength, power & balance designed to improve your overall performance & everyday life.

GROUP CYCLE

Express Cycle (Limit 18) • A shorter version of our regular Group Cycle class for those with limited workout time.

Group Cycle (Limit 18) • A stationary group cycling exercise class for all levels of fitness. Classes consist of changing ride profiles with instructors leading participants through an energizing "ride." Rides combine a foundation of basic cycling movements with motivational coaching techniques, breathing awareness and heart rate training.

YOGA

Foundations to Flow (Limit 20) • A slow to moderate paced class designed to enhance a more mindful movement of the spine. This class focuses on proper alignment and marrying breath with movement. Learn to flow more fluidly through your poses or asanas, by learning about and exploring key foundational poses from which all others are built. This class feels very meditative, leaving you feeling refreshed and renewed. Both beginners and those with an established practice can benefit from this class.

Friday Night Flow (Limit 20) • The word "vinyasa" can be translated as "arranging something in a special way." In this vinyasa yoga class, movement is coordinated with breath, flowing from one pose to the next. The result is a moving meditation, resulting in greater flexibility, strength and mindfulness. This class is for students with prior yoga experience.

Gentle Yoga (Limit 20) • While uniting body, breath, and mind, this gentle yoga practice is for those who wish to strengthen their bodies, calm their minds, and find relaxation through breath work and yoga postures, both active & restorative. This is the perfect class to begin your yoga practice. Various props will be used.

Heated Vinyasa Flow Yoga (Limit 20) • The word "vinyasa" can be translated as "arranging something in a special way." In this vinyasa yoga class, movement is coordinated with breath, flowing from one pose to the next, in an 85° room. The result is a moving meditation, resulting in greater flexibility, strength and mindfulness. This class is for students with prior yoga experience.

Intermediate Flow (Limit 20) • This intermediate flow class will be based primarily on positions and transitions from the Ashtanga primary series. Familiarity with the basic asanas (postures) is assumed.

Slow Flow Yoga (Limit 20) • Learn to combine breathing, flowing postures and meditation in this gentle, but deep approach to Vinyasa yoga. This slower-paced flow class allows time to explore the postures while cultivating strength, flexibility, balance and calm.

Sunrise Yoga Flow (Limit 20) • Tap into the clean and cheerful qualities of an early morning practice and align with your best day! Long known by Yoga practitioners as the most healing time of the day to practice, the pranic energy, or vital life energy, is at its peak during the pre-dawn hour. This class begins with stabilizing breath work and warming Sun Salutations followed by core-strengthening and balancing postures and finishes with deep relaxation. Leave class refreshed and ready for a beautiful day!

Yin Yin (Limit 20) • A blend of yin and yang modalities, this class cultivates a sense of balance between warming, active energy and cooling restorative energy. In the first half of class, the body is enlivened as muscles are warmed and heart rate increases through a moderate paced Vinyasa flow. In the second half of class, connective tissues and joints are deeply released using classic Yin postures while poses are held longer with an emphasis on a steady breath.

Yin Yoga (Limit 20) • Yin Yoga is the practice of quiet receptivity. This slower and meditative style of Yoga involves holding poses for longer periods of time and deep breathing. Through the application of moderate stretches to connective tissues including fascia, ligaments and tendons; students improve circulation to the joints and overall flexibility.

Yoga Flow (Limit 20) • This class seamlessly blends the methodologies of Kripalu Yoga and Yogafit, providing you with a safe and enjoyable way to explore your yoga journey. Students will gain strength, focus, flexibility and find stress relief. This class is designed for students with previous yoga experience.

Yoga for Athletes (Limit 20) • Do you run, bike, play tennis or workout three times a week? Then you're an athlete! Compliment your strength & power workouts with sport specific yoga poses to improve your flexibility and joint mobility.
