The MTB Project

April 29-May 31
Mondays & Fridays • 3:00-4:30pm
Grades 3-6

The MTB Project is an After School Mountain Bike program. Coaches share drills and techniques to enhance skills like cornering, bike body separation, rolling over obstacles, and handling the controls of the bike. Our primary goal is to encourage a lifelong love of cycling.

Mountain bike trails are rocky, with roots, narrow trails, and can be steep. Riding over obstacles is necessary. MTB Project is perfect for the adventurous.

The MTB Project prepares young riders for our future adventure riding trips to offsite locations, overnight trips and eventually even develop into a member of the Clark Sports Center's "Otsego Composite," Mountain Biking Race Team. Our race team is a member team of the National Interscholastic Cycling Association (NICA) competing on the state level. Members only.

Trails can be technical but we will try to make each ride work for all. Closed toes shoes required. Participants should have their own bike and helmet.

For more information, contact Jim DiLiberto or Jackson DiLiberto at (607) 547-2800, ext. 124.
