MTB Project - After School Mountain Biking Program

The Mountain Bike Project is a developmental program for kids 9+. Coaches share drills and techniques to enhance skills like cornering, bike body separation, rolling over obstacles and handling the controls of the bike. Our primary goal is to encourage a lifelong love of cycling.

Mountain Bike trails are rocky, with roots, narrow trails and can be steep. Riding over obstacles is necessary. MTB Project is perfect for the Adventurous. It prepares young riders for future adventure riding trips to offsite locations, overnight trips and eventually even develop into a member of the "Otsego Composite," Mountain Biking Team. Our race team is a member of the National Interscholastic Cycling Association (NICA) competing on the state level. Free for members.

Register online September 3–25. The program takes place on Fridays, 3:15-5:00pm, beginning October 4. Open to youth in Grades 3-6.
